(47)

2. He carried out his duties at the T.I.P. and supervised its observance repeatedly.
4. He was appointed supervising leading duty N.C.O. daily.
9. In collaboration with the T.I.P co. provided each soldier with covering numbers.

Training office deputy

He was appointed from among the enlisted N.C.O. by the training office. His duty was to assist the training office according to the following.

a.: he did all the administration work of the training office
b.: in the absence of the training office he substituted him
c.: was on 6 hrs. duty daily

Squad leader:

Each squad was headed by an enlisted N.C.O as squad leader. They were nearly unexceptionally graduates of the Bodyguard N.C.O School of Fort and were assigned to the different T.I.P.s from them. Their task was the preparation of the squad for the military, formal bodyguard and sports exercises in accordance with the orders of the instructor.

He had to have exact knowledge of the names, personalities, party membership, military capabilities, activities of every soldier. All these data were put down in the squad leaders file. At times of normal service the squad leader was on 6 hrs. duty daily.

He was responsible for every action of his subordinates. He had to have good knowledge of the special tasks of the T.I.P.
